LETTER FROM THE BOARD

Issue Mandate

At the Annual General Meeting, an ordinary resolution will be proposed to the Shareholders to consider and, if thought fit, approve the Issue Mandate which will enable the Directors to exercise the power of the Company to allot, issue and otherwise deal with new Shares not exceeding 20% of the aggregate nominal amount of the share capital of the Company in issue on the date of passing such resolution. In addition, an ordinary resolution will also be proposed to the Shareholders to consider and, if thought fit, approve the extension of the Issue Mandate by adding to the aggregate number of Shares which may be allotted or agreed conditionally or unconditionally to be allotted by the Directors pursuant to the Issue Mandate the number of Shares repurchased under the Repurchase Mandate, if granted.

As at the Latest Practicable Date, the issued and fully paid up share capital of the Company comprised 314,089,152 Shares. Assuming that there is no change in the issued and fully paid up share capital of the Company between the period from the Latest Practicable Date and the date of passing the resolution approving the Issue Mandate, the maximum number of Shares which may be issued pursuant to the Issue Mandate will be 62,817,830 Shares.

Details of the Issue Mandate and the extension of the Issue Mandate are respectively set out in ordinary resolutions numbered 4 and 6 in the notice of the Annual General Meeting set out on pages 12 to 15 of this circular.

Repurchase Mandate

At the Annual General Meeting, an ordinary resolution will be proposed for the Shareholders to consider and, if thought fit, approve the Repurchase Mandate which will enable the Directors to exercise the power of the Company to repurchase Shares up to 10% of the issued and fully paid up share capital of the Company as at the date of passing of such resolution. The Company's authority is restricted to repurchase Shares in the market in accordance with the Listing Rules.

As at the Latest Practicable Date, the issued and fully paid up share capital of the Company comprised 314,089,152 Shares. Assuming that there is no change in the issued and fully paid up share capital of the Company between the period from the Latest Practicable Date and the date of passing the resolution approving the Repurchase Mandate, the maximum number of Shares which may be repurchased pursuant to the Repurchase Mandate will be 31,408,915 Shares.

Pursuant to the Listing Rules, an explanatory statement containing all the information reasonably necessary to enable you to make an informed decision on whether to vote for or against the ordinary resolution to approve the Repurchase Mandate is set out in Appendix I hereto.

Details of the Repurchase Mandate are set out in ordinary resolution numbered 5 in the notice of the Annual General Meeting set out on pages 12 to 15 of this circular.

LETTER FROM THE BOARD

Both the Issue Mandate and the Repurchase Mandate will expire upon the earliest of:

- (a) the conclusion of the next annual general meeting of the Company;
- (b) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-Laws or any applicable law to be held; or
- (c) the revocation or variation of such authority by an ordinary resolution of the Shareholders in general meeting.

The Directors consider that the proposals for granting of the Issue Mandate, the Repurchase Mandate, the extension of the Issue Mandate and the re-election of the retiring Directors are all in the best interests of the Company and the Shareholders as a whole and, accordingly, the Directors recommend the Shareholders to vote in favour of the resolutions to be proposed at the Annual General Meeting in respect thereof.

RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief, there are no other facts the omission of which would make any statement contained herein misleading.

GENERAL INFORMATION

Your attention is also drawn to the information as set out in the Appendices to this circular.

Yours faithfully,
For and on behalf of the Board
Sung Yan Wai, Petrus
Acting Managing Director

This Appendix serves as an explanatory statement required by the Listing Rules to provide you with all the information reasonably necessary to enable you to make an informed decision on whether to vote for or against the ordinary resolution to approve the Repurchase Mandate.

LISTING RULES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their own shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:–

(a) Shareholders' approval

All proposed repurchases of shares on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate or by specific approval.

(b) Source of funds

Repurchases of shares must be made out of funds legally available for such purpose in accordance with the company's constitutive documents and the laws of the jurisdiction in which the company is incorporated or established.

SHARE CAPITAL

As at the Latest Practicable Date, (i) the issued share capital of the Company was HK\$3,140,891.52 comprising 314,089,152 Shares; (ii) 12,724,000 share options were outstanding under the Share Option Scheme entitling holders thereof to subscribe for an aggregate of 12,724,000 Shares; and (iii) the outstanding principal amount under the convertible bonds issued by the Company was HK\$237,000,000 and such convertible bonds were convertible into Shares at the initial conversion price of HK\$2.00 per Share (subject to adjustment).

Subject to the passing of the proposed ordinary resolution approving the Repurchase Mandate and on the basis that none of the outstanding share options of the Company or the subscription rights attached to the convertible bonds of the Company is exercised and no further Shares are issued, allotted or repurchased by the Company prior to the Annual General Meeting, the exercise of the Repurchase Mandate in full would enable the Company to repurchase up to 31,408,915 Shares during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company following the passing of the resolution referred to herein; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Bye-Laws or any applicable law to be held; or (iii) the date on which such authority is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company.

REASONS FOR SHARE REPURCHASE

Although the Directors have no present intention of repurchasing the Shares, they believe that it is in the best interests of the Company and the Shareholders to continue to have a general authority from the Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and its assets and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

FUNDING OF REPURCHASE

It is envisaged that any repurchase of Shares will be financed out of funds which are legally available for such purpose in accordance with the memorandum of association and Bye-Laws, the Listing Rules and the applicable laws of Bermuda.

The Directors are not aware of any material adverse impact on the working capital or gearing level of the Company as compared with the position disclosed in its most recent published audited accounts as at 31 December 2008 in the event that the Repurchase Mandate is exercised in full. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or gearing level of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:

	Price per Share	
	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2008		
April	1.120	0.970
May	1.080	0.830
June	1.030	0.850
July	1.000	0.790
August	0.820	0.600
September	0.600	0.455
October	0.500	0.172
November	0.610	0.330
December	0.570	0.345
2009		
January	0.520	0.450
February	0.630	0.490
March	0.630	0.430
April (up to the Latest Practicable Date)	0.495	0.430

DISCLOSURE OF INTERESTS

As at the Latest Practicable Date, none of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective associates have any present intention to sell any Shares to the Company or its subsidiaries (as defined in the Companies Ordinance (Chapter 32 of the Laws of Hong Kong)) in the event that the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, no connected person has notified the Company that he/she has a present intention to sell any Shares to the Company or has undertaken not to sell any of the Shares held by him/her to the Company, in the event that the Repurchase Mandate is approved by the Shareholders.

UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will only exercise the Repurchase Mandate in accordance with the memorandum of association and Bye-Laws of the Company, the Listing Rules and the applicable laws of Bermuda.

EFFECT OF THE TAKEOVERS CODE AND MINIMUM PUBLIC FLOAT

If, as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

According to the information available to the Company, as at the Latest Practicable Date, Sino-Forest Corporation ("Sino-Forest") and its wholly-owned subsidiary (i) held 62,860,000 Shares, representing approximately 20.01% of the issued share capital of the Company; and (ii) convertible bonds issued by the Company in the principal amount of HK\$212,328,300.

On the basis that none of the outstanding share options of the Company or the subscription rights attached to the convertible bonds of the Company is exercised and no further Shares are issued between the Latest Practicable Date and the date of a repurchase under the Repurchase Mandate and no further Shares are repurchased prior to the Annual General Meeting, in the event that the Directors exercise in full the Repurchase Mandate, the voting rights of Sino-Forest would be increased to approximately 22.24% of the issued share capital of the Company. The Directors are not aware of any consequences which will arise under the Takeovers Code as a result of any repurchases to be made under the Repurchase Mandate.

Assuming that none of the outstanding share options of the Company and the subscription rights attached to the convertible bonds of the Company is exercised and no further issue of Shares between the Latest Practicable Date and the date of a repurchase, the exercise of the Repurchase Mandate in whole or in part will not result in less than 25% of the issued share capital of the Company being held by the public as required by Rule 8.08 of the Listing Rules. The Directors have no intention to exercise the Repurchase Mandate to an extent as may result in a public shareholding of less than such prescribed percentage.

SHARE REPURCHASES BY THE COMPANY

The Company has not repurchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

The following are the particulars of the Directors who will retire and, being eligible, shall offer themselves for re-election at the Annual General Meeting pursuant to the Bye-Laws and the Listing Rules:

- (3) Completion and return of the form of proxy will not preclude members from attending and voting at the annual general meeting or any adjourned meeting thereof (as the case may be) should they so wish, and in such event, the form of proxy shall be deemed to be revoked.
- (4) Where there are joint registered holders of any Share(s), any one of such joint holders may attend and vote at the meeting, either in person or by proxy, in respect of such Share(s) as if he/she were solely entitled thereto, but if more than one of such joint holders are present at the meeting or any adjourned meeting thereof (as the case may be), the most senior shall alone be entitled to vote, whether in person or by proxy. For this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the joint holding.
- (5) An explanatory statement regarding the general mandate for the repurchase of Shares sought in resolution numbered 5 is set out in Appendix I to the circular of the Company dated 30 April 2009 of which this notice forms part.
