To the Shareholders

Dear Sir/Madam,

**CONTINUING CONNECTED TRANSACTIONS
IN RESPECT OF THE EXISTING HK\$215,000,000 LOAN FACILITY
AND
NOTICE OF SPECIAL GENERAL MEETING**

INTRODUCTION

The Company refers to its announcements dated 1 June 2010, 22 November 2010 and 4 November 2013 respectively, and its circular dated 30 November 2010 and 6 November 2013 respectively. Silver Mount, a wholly-owned subsidiary of the Company, granted to Greenheart Resources a revolving facility up to a maximum of HK\$215 million, subject to Independent Shareholders' approval which was obtained at a special general meeting of the Company held on 17 December 2010. The Facility bears an interest at the rate of the prime rate for Hong Kong dollars per annum from time to time as quoted by the Hongkong and Shanghai Banking Corporation Limited (or such other bank as may be designated by Silver Mount).

LETTER FROM THE BOARD

As of the Latest Practicable Date, an amount of HK\$214,983,000 has been drawdown. The repayment date of the Facility, which was approved by the Independent Shareholders at a special general meeting of the Company held on 21 November 2013, is on or before the date falling 6 years after the date of the Supplemental Facility Agreement, which is 22 November 2016.

Reference is also made to the announcement of the Company made on 12 December 2016 in relation to the Third Supplemental Facility Agreement. The transactions to be effected by the Third Supplemental Facility Agreement constitute continuing connected transactions of the Company.

The purposes of this circular are to provide you with, among other things, (i) information in relation to the Third Supplemental Facility Agreement; (ii) the recommendation of the Independent Board Committee to the Independent Shareholders; (iii) the letter of advice from the Independent Financial Adviser to the Independent Board Committee and the Independent Shareholders; and (iv) a notice of the Special General Meeting to consider and, if thought fit, approve the resolution in relation to the Third Supplemental Facility Agreement.

PARTICULARS OF THE THIRD SUPPLEMENTAL FACILITY AGREEMENT

On 12 December 2016, Silver Mount entered into the Third Supplemental Facility Agreement with Greenheart Resources pursuant to which the parties conditionally agreed to:

- (a) extend the repayment date of the outstanding amount drawn under the Facility for 3 years to 22 November 2019; and
- (b) extend the Drawdown Period to the earlier of (i) the date falling 9 years after the date of the Supplemental Facility Agreement (i.e. 22 November 2019); and (ii) the date on which the Facility is terminated under the provisions of the Facility Agreement (as amended by the Supplemental Facility Agreement, the Second Supplemental Facility Agreement and the Third Supplemental Facility Agreement).

Apart from the above, all the terms of the Facility remain unchanged from the original terms.

The Third Supplemental Facility Agreement will only become effective upon the Company having convened the Special General Meeting at which resolution shall have been duly passed by the Independent Shareholders to approve, confirm and ratify the Third Supplemental Facility Agreement.

PARTICULARS OF THE FACILITY

The principal terms of the Facility after the Third Supplemental Facility Agreement becomes effective are as follows:

- (i) Facility Limit: A revolving facility up to a maximum of HK\$215 million at any time during the Drawdown Period.

LETTER FROM THE BOARD

- (ii) Drawdown Period: The period commencing on the date of the Facility Agreement and ending on but excluding the earlier of (i) the date falling 9 years after the date of the Supplemental Facility Agreement (i.e. 22 November 2019); and (ii) the date on which the Facility is terminated under the provisions of the Facility Agreement (as amended by the Supplemental Facility Agreement, the Second Supplemental Facility Agreement and the Third Supplemental Facility Agreement).
- (iii) Interest: Prime rate for Hong Kong dollars per annum from time to time as quoted by The Hongkong and Shanghai Banking Corporation Limited (or such other bank as may be designated by Silver Mount).
- Interest is calculated on the basis of the actual number of days elapsed on a 365-day year and is paid six-monthly in arrears.
- (iv) Repayment: Greenheart Resources may repay the whole or any part of the amount drawn under the Facility on or before the date falling 9 years after the date of the Supplemental Facility Agreement (i.e. 22 November 2019).
- (v) Prepayment: Greenheart Resources may on any Banking Day prepay the whole or any part of the amount drawn under the Facility together with interest accrued thereon by giving Silver Mount not less than two Banking Days' prior notice specifying the date of prepayment.
- (vi) Security: None.
- (vii) Conditions: Greenheart Resources may draw under the Facility provided that:
- (a) it gives Silver Mount a notice of drawing in the manner set out in the Facility Agreement;
 - (b) no Event of Default or prospective Event of Default has occurred and all representations and warranties given by Greenheart Resources under the Facility Agreement are true and correct as at the date of each drawing; and
 - (c) the amount of such drawing shall, when aggregated with the principal amount of then outstanding, not exceed the Facility Limit.

LETTER FROM THE BOARD

(viii) Events of Default:

Events of Default include but are not limited to:

- (a) failure of Greenheart Resources to pay any sum payable under the Facility Agreement (as amended by the Supplemental Facility Agreement, the Second Supplemental Facility Agreement and the Third Supplemental Facility Agreement) when due;
- (b) failure of Greenheart Resources to perform or comply with any of its obligations or undertakings under the Facility Agreement (as amended by the Supplemental Facility Agreement, the Second Supplemental Facility Agreement and the Third Supplemental Facility Agreement);
- (c) any representation, warranty or statement made by Greenheart Resources under the Facility Agreement, the Supplemental Facility Agreement, the Second Supplemental Facility Agreement and the Third Supplemental Facility Agreement, being or proving to have been untrue, inaccurate, incorrect or misleading in any material respect;
- (d) failure of Greenheart Resources to pay any other indebtedness when due by reason of a default or an event of default;
- (e) any litigation, arbitration or administrative proceedings before any court, arbitration or other relevant authority being current, pending or threatened against Greenheart Resources or any of its subsidiaries which Silver Mount considers will have or is likely to have a material adverse effect on Greenheart Resources and its subsidiaries; and
- (f) any material adverse change in the financial condition and/or business of Greenheart Resources.

The Company further agrees that interest will continue accrue on the Facility and become payable to the Silver Mount in accordance with the provisions of the Facility Agreement (as amended by the Supplemental Agreement and the Second Supplemental Agreement) from (and inclusive of) 23 November 2016 up to (and inclusive of) the date of the Special General Meeting.

LETTER FROM THE BOARD

PROPOSED ANNUAL CAPS

As mentioned above, an amount of HK\$214,983,000 was drawn down by Greenheart Resources. As the Facility Limit remains unchanged under the Third Supplemental Facility Agreement, the maximum principal amount advanced under the Facility plus the outstanding interest accrued thereon from time to time are not expected to exceed HK\$250 million for each of the financial years ending 31 December 2016, 2017, 2018 and 2019 (the “**Proposed Annual Caps**”). The Proposed Annual Caps were determined based on the Facility Limit, the current principal loan amount advanced under the Facility and the interest rate of the Facility.

REASONS AND BENEFITS FOR THE THIRD SUPPLEMENTAL FACILITY AGREEMENT

The repayment date of the Facility is 22 November 2016 unless further extended. As disclosed in the announcements of the Company dated 1 June 2010, 22 November 2010, 4 November 2013 and 12 December 2016 respectively, and the circular dated 30 November 2010 and 6 November 2013 respectively, the Facility is used to facilitate the business development of Greenheart Resources, which is currently operating forestry and timber businesses in Suriname. As at the Latest Practicable Date, Greenheart Resources holds and operates a total of 185,000 hectares of tropical hardwood concessions and a tropical hardwood processing plant in West Suriname (“**West Suriname Operation**”).

After the full drawdown of the Facility and in order to provide funding to Greenheart Resources to complete its processing plant in West Suriname (the “**WS Processing Plant**”), including the reconfiguration of the machineries layout afterwards in 2015 and to replenish its operating working capital, Silver Mount and Newforest have also each advanced loan facilities in the aggregate amount of US\$23,816,000 and US\$15,621,000 respectively, which are proportional to their respective shareholdings in Greenheart Resources, in 2014, 2015 and 2016. As at the Latest Practicable Date, Greenheart Resources had undrawn loan facilities from Silver Mount and Newforest of US\$1,470,000 in aggregate.

The said US\$23,816,000 loan facilities granted by Silver Mount to Greenheart Resources constitutes continuing connected transactions of the Company. Such financial assistance was provided (i) for the benefit of Greenheart Resources in which Silver Mount is a shareholder, (ii) not in the ordinary and usual course of business but on normal commercial terms, (iii) in proportion to Silver Mount’s equity interest in Greenheart Resources, and (iv) no guarantee was given by the Company or Silver Mount. Accordingly, such financial assistance is exempt from the reporting, announcement and Independent Shareholders’ approval requirements under Chapter 14A of the Listing Rules pursuant to Rule 14A.89 of the Listing Rules.

As at 31 December 2013, 31 December 2014, 31 December 2015 and 30 June 2016 (unaudited), respectively, Greenheart Resources had net liabilities of US\$31,654,000, US\$45,363,000, US\$66,931,000 and US\$72,315,000, respectively; and cash and bank balances (exclude pledged deposit) of US\$2,120,000, US\$686,000, US\$2,028,000 and US\$794,000, respectively. During the year ended 31 December 2013, 31 December 2014 and 31 December 2015 and the six months ended 30 June 2016 (unaudited), Greenheart Resources had net loss of US\$12,443,000, US\$13,709,000, US\$21,568,000 and US\$5,384,000, respectively.

LETTER FROM THE BOARD

As disclosed in the Company's 2015 annual report and 2016 interim report, the Group has appointed a new local management team in Suriname during 2015 to turnaround the Group's Suriname division, including West Suriname Operation. The restructuring of the Suriname division was however dragged for six months until mid of August 2016 due to the unexpected prolonged government approval process for importing skilled labour for sawmill operations. As at the Latest Practicable Date, Greenheart Resources has resumed its operation in West Suriname and has been actively working towards its planned production volume. It is expected that there will be noticeable improvements on both revenue and profitability of Greenheart Resources in the near future. Due to the relatively long production cycle in tropical hardwood processing industry, the management of the Company (the "**Management**") believed that the existing funding resources should be prioritised and focused on the working capital to continue the turnaround plan and revive its business. Accordingly, Greenheart Resources will continue to need the Facility for a period of 3 more years and was not in a position to repay the loan drawn under the Facility before the original repayment date which was 22 November 2016.

Apart from the abovementioned loan facilities of a total amount of US\$15,621,000 from Newforest to Greenheart Resources, Chow Tai Fook Enterprises Limited, the holding company of Newforest, granted an unsecured loan of US\$10,000,000 to Greenheart Resources, separately in 2015, which had a repayment date of 12 August 2017. All of the above shows the continuing support and commitments from Newforest and its holding company to Greenheart Resources since it became the Company's major shareholder in May 2015.

The transactions under the Third Supplemental Facility Agreement require Independent Shareholders' approval at the Special General Meeting. In the event that such approval was not obtained, Greenheart Resources would fail to repay the loan drawn under the Facility forthwith and would be deemed to have been in breach of the Second Supplemental Facility Agreement. Greenheart Resources has been considering other financing options including bank financing. Greenheart Resources is of the view that those options are not as commercially desirable as the entry into of the Third Supplemental Facility Agreement after taking into account relevant factors such as collateral required by a bank, interest rates, financial covenants and disclosure of information required by a bank. Notwithstanding the above, in the event that the Third Supplemental Facility Agreement is not approved by the Independent Shareholders at the Special General Meeting, the Company will continue to explore financing options including bank financing. As Greenheart Resources has just resumed its operations in August 2016 and has not yet fully realized and reflected its full potential value, it is not considered to be in the best interests of the Company to sell Greenheart Resources' assets to repay the loan drawn under the Facility after the Special General Meeting, as it would have negative impact on the operation and the overall value of Greenheart Resources. Therefore, Greenheart Resources and Silver Mount have entered into the Third Supplemental Facility Agreement, in order to maintain, on broadly the same terms, the present loan which should allow Greenheart Resources to continue its operation and generate returns which reflects its full value after the recently completed restructuring.

The Directors (including the independent non-executive Directors whose view is set out in the "Letter from the Independent Board Committee" of this circular) consider that the entering into of the Third Supplemental Facility Agreement and the transactions contemplated thereunder are in the ordinary and usual course of business of the Company, and the terms of the Third Supplemental Facility Agreement are determined after arm's length negotiation and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

LETTER FROM THE BOARD

INFORMATION ON THE PARTIES

Company

The principal activity of the Company is investment holding. The principal activities of its subsidiaries comprise log harvesting, lumber processing, marketing, sales and trading of logs and lumber products.

Greenheart Resources

Greenheart Resources is owned as to approximately 60.39% by the Company and 39.61% by Newforest. It and its subsidiaries hold forest concessions for the exploitation of timber on a parcel of land in West Suriname. Their principal business activities include log harvesting, lumber processing and sale of logs and lumber products.

Silver Mount

Silver Mount Group Limited is a wholly-owned subsidiary of the Company. Its principal activity is investment holding.

LISTING RULES IMPLICATIONS

As at the Latest Practicable Date, Newforest, which directly holds approximately 68.63% of the existing issued share capital of the Company and is a substantial shareholder of the Company and thus a connected person of the Company, holds approximately 39.61% of the issued share capital of Greenheart Resources, a non wholly-owned subsidiary of the Company. Greenheart Resources is therefore a connected person of the Company under Rules 14A.07(5) and 14A.16 of the Listing Rules. The transactions to be effected by the Third Supplemental Facility Agreement constitute continuing connected transactions of the Company.

Given that the Proposed Annual Caps represent more than 5% of certain applicable percentage ratios of the Company, the continuing connected transactions contemplated under the Third Supplemental Facility Agreement are subject to the reporting, announcement and independent shareholders' approval requirements under the Listing Rules.

In view of the interest of Newforest in Greenheart Resources, Newforest and its associates will abstain from voting at the Special General Meeting to be convened to consider the resolution approving the abovementioned continuing connected transactions.

In respect of this circular, there was a technical non-compliance of Rule 14A.54 on the part of the Company due to its oversight in seeking independent Shareholders' approval at the special general meeting of the Third Supplemental Facility Agreement and the annual cap covering the period from 23 November 2016 to the date of the Special General Meeting and making an announcement pursuant to Rule 14A.54 on or before 22 November 2016 (the expiry date of the loan under the Second Supplemental Facility Agreement). The reason of the non-compliance was that Silver Mount and Greenheart Resources

LETTER FROM THE BOARD

took some time to discuss whether the outstanding loan drawn down under the Facility was to be repaid on 22 November 2016 or the repayment thereof was to be further extended. They came to an agreement and entered into the Third Supplemental Facility Agreement on 12 December 2016, resulting in the non-compliance. The Company was first aware of the non-compliance in early December 2016 and therefore required Silver Mount to speed up the negotiations with Greenheart Resources and Newforest (the Company's majority shareholder which also holds 39.61% shares of Greenheart Resources). To prevent the occurrence of similar non-compliance in the future, the Company will adopt the following measures: (a) The Company will enhance its reporting system to ensure the details of all continuing connected transactions are captured in one master file which can allow the Management to review on a monthly basis and take prompt actions to make necessary disclosure and obtain independent Shareholders' approval; and (b) the Company is going to arrange relevant trainings to all relevant staff members to reinforce their understanding of the Listing Rules requirements and the importance of timely compliance with the Listing Rules.

DIRECTOR'S INTEREST IN THE THIRD SUPPLEMENTAL FACILITY AGREEMENT

Mr. Wu Wai Leung, Danny, the Chief Executive Officer and an executive Director of the Company, is indirectly interested in 40% of the total issued share capital of Newforest and therefore abstained from voting at the Company's board meeting for considering and approving the Third Supplemental Facility Agreement and the transactions contemplated thereunder.

SPECIAL GENERAL MEETING

The Special General Meeting will be held by the Company at Basement 2, Function Room, The Wharney Guang Dong Hotel Hong Kong, 57-73 Lockhart Road, Wanchai, Hong Kong at 11:00 a.m. on 23 January 2017 at which an ordinary resolution will be proposed to the Independent Shareholders to consider and, if thought fit, approve, inter alia, the Third Supplemental Facility Agreement and the transactions contemplated thereunder. A notice of the Special General Meeting is set out on pages 33 to 34 of this circular.

Newforest and its associates will abstain from voting at the Special General Meeting with respect to the resolution approving the continuing connected transactions. As at the Latest Practicable Date, to the best of the Director's knowledge, Newforest and its associates hold 1,020,005,389 Shares, representing approximately 68.63% of the issued share capital of the Company.

For the purpose of the Special General Meeting, the Board has established the Independent Board Committee to consider and advise the Independent Shareholders with respect to the Third Supplemental Facility Agreement. The Company has also appointed the Independent Financial Adviser to advise the Independent Board Committee and the Independent Shareholders on the continuing connected transactions.

Whether or not you are able to attend the Special General Meeting, you are requested to complete the enclosed form of proxy in accordance with the instructions printed thereon and return it to the Company's branch share registrar in Hong Kong, Tricor Tengis Limited at 22th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong in accordance with the instructions printed thereon as soon as possible but in any event not later than 48 hours before the time appointed for the holding of the

LETTER FROM THE BOARD

Special General Meeting or any adjournment thereof (as the case may be). Completion and return of the form of proxy will not preclude you from subsequently attending and voting in person at the Special General Meeting or any adjournment thereof (as the case may be) should you so wish and in such event, the proxy shall be deemed to be revoked.

All the resolution(s) proposed to be approved at the Special General Meeting will be taken by poll and an announcement will be made by the Company on the poll results of the Special General Meeting as soon as possible after the meeting.

RECOMMENDATION

The Directors (including all the independent non-executive Directors whose view is set out in the “Letter from the Independent Board Committee” of this circular) consider that the transactions under the Third Supplemental Facility Agreement are in the interests of the Company and the Shareholders as a whole and are fair and reasonable so far as the Independent Shareholders are concerned. The Directors therefore recommend the Independent Shareholders to vote in favour of the ordinary resolution to be proposed at the Special General Meeting to approve the Third Supplemental Facility Agreement and the transactions contemplated thereunder.

ADDITIONAL INFORMATION

Additional information is also set out in the Appendix of this circular for your information.

Yours faithfully,
For and on behalf of the Board

*To the Independent Board Committee and
the Independent Shareholders of
Greenheart Group Limited*

Dear Sirs and Madams,

**CONTINUING CONNECTED TRANSACTION
IN RESPECT OF
THE EXISTING HK\$215,000,000 LOAN FACILITY**

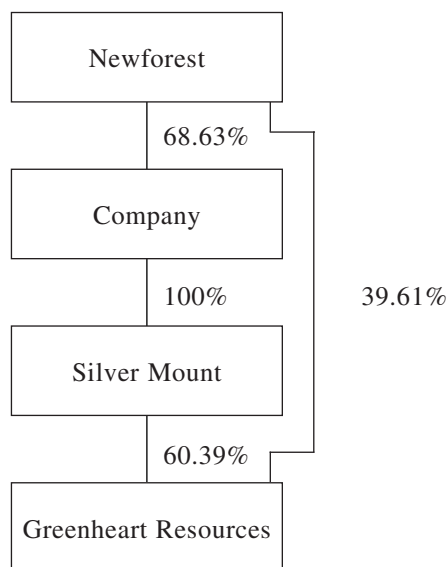

INTRODUCTION

We refer to our appointment as the independent financial adviser to advise the Independent Board Committee and the Independent Shareholders in relation to the Third Supplemental Facility Agreement and transactions contemplated thereunder (the “Transactions”). Details of the Third Supplemental Facility Agreement are set out in the circular of the Company to the Shareholders dated 6 January 2017 (the “Circular”), of which this letter forms part. Unless the context otherwise requires, capitalised terms used in this letter shall have the same meaning as those defined in the Circular.

As at the Latest Practicable Date, the Company through Silver Mount, its wholly-owned subsidiary, is interested in approximately 60.39% of the total issued share capital of Greenheart Resources. Newforest, directly holding approximately 68.63% of the issued share capital of the Company as at the Latest Practicable Date and being a substantial shareholder and the controlling shareholder of the Company, is also interested in approximately 39.61% of the total issued share capital of Greenheart Resources.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

The following diagram illustrates the corporate structure of the Company, Silver Mount, Greenheart Resources and Newforest:

By virtue of the respective substantial shareholdings in Greenheart Resources, Greenheart Resources is therefore a connected person of the Company under Rule 14A.07(5) and 14A.16 of the Listing Rules for the purpose of the Transactions. Accordingly, the provision of the Facility by Silver Mount to Greenheart Resources under the Third Supplemental Facility Agreement constitutes continuing connected transactions of the Company. Since Newforest is defined as the substantial shareholder of the Company under the Listing Rules, Newforest and its respective associates are required to abstain from voting on the relevant resolution to be proposed at the Special General Meeting regarding the Transactions. As the Company anticipates that certain ratio(s) for the Transactions exceeds 5% of the applicable ratios as set out in Rule 14.07 of the Listing Rules, the Transactions will be subject to the reporting, announcement and Independent Shareholders' approval requirements of the Listing Rules.

As set out in the Letter from the Board, there was a technical non-compliance of Rule 14A.54 on the part of the Company due to its oversight in seeking Independent Shareholders' approval at the special general meeting of the Third Supplemental Facility Agreement and the annual cap covering the period from 23 November 2016 to the date of the Special General Meeting and making an announcement pursuant to Rule 14A.54 on or before 22 November 2016 (the expiry date of the loan under the Second Supplemental Facility Agreement). The reason of the non-compliance was that Silver Mount and Greenheart Resources took some time to discuss whether the outstanding loan drawn down under the Facility was to be repaid on 22 November 2016 or the repayment thereof was to be further extended. They came to an agreement and entered into the Third Supplemental Facility Agreement on 12 December 2016, resulting in the non-compliance. The Company was first aware of the non-compliance in early December 2016 and therefore required Silver Mount to speed up the negotiations with Greenheart Resources and Newforest (the Company's majority shareholder which also holds 39.61% shares of Greenheart Resources). To prevent the occurrence of similar non-compliance in the future, the Company will adopt the following measures: (a) the Company will enhance its reporting system to ensure the details of all continuing connected transactions are captured in one master file which can allow the Management to review on a monthly basis and take prompt actions to make necessary disclosure and

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

obtain Independent Shareholders' approval; and (b) the Company is going to arrange relevant trainings to all relevant staff members to reinforce their understanding of the Listing Rules requirements and the importance of timely compliance with the Listing Rules.

The Independent Board Committee comprising all the independent non-executive Directors, namely Messrs. Nguyen Van Tu, Peter, Tang Shun Lam, Steven and Wong Man Chung, Francis has been established to advise the Independent Shareholders as to whether the Transactions are fair and reasonable so far as the Independent Shareholders are concerned, whether they are in the interests of the Company and the Independent Shareholders as a whole and how to vote on the relevant resolution at the Special General Meeting. We have been appointed to advise the Independent Board Committee and the Independent Shareholders in this regard.

BASIS OF OUR OPINION

In formulating our opinion, we have relied on the information, financial information and facts supplied to us and representations expressed by the Directors and/or the Management and have assumed that all such information, financial information and facts and any representations made to us or referred to in the announcement of the Company dated 12 December 2016 and the Circular, for which they are fully responsible, are true, accurate and complete as at the time they were made and as at the date hereof and made after due and careful inquiry by the Directors and/or the Management. We have been advised by the Directors and/or the Management that all relevant information has been supplied to us and that no material facts have been omitted from the information supplied and representations expressed to us. We have also relied on certain information available to the public and have assumed such information to be accurate and reliable. We have no reason to doubt the completeness, truth or accuracy of the information and facts provided and we are not aware of any facts or circumstances which would render such information provided and representations made to us untrue, inaccurate or misleading.

Our review and analyses were based upon, among others, the information provided by the Company including the Facility Agreement, the Supplemental Facility Agreement, the Second Supplemental Facility Agreement, the Third Supplemental Facility Agreement, the annual and interim reports of the Company, the Circular and certain published information from the public domain.

We have also discussed with the Directors and/or the Management with respect to the terms of and reasons for the transaction contemplated under the Third Supplemental Facility Agreement (including the Proposed Annual Caps), and considered that we have reviewed sufficient information to reach an informed view and to provide a reasonable basis for our opinion. We have not, however, conducted any independent verification of the information nor have we conducted any form of in-depth investigation into the businesses, affairs, financial position or prospects of the Group, Greenheart Resources, Newforest and each of their respective associates, and the parties involved in the transactions contemplated under the Third Supplemental Facility Agreement (including the Proposed Annual Caps).

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

PRINCIPAL FACTORS AND REASONS CONSIDERED

In arriving at our recommendation in respect of the transactions contemplated under the Third Supplemental Facility Agreement (including the Proposed Annual Caps), we have considered the following principal factors and reasons:

1. Background of the Third Supplemental Facility Agreement

The principal activity of the Company is investment holding. The principal activities of its subsidiaries comprise log harvesting, lumber processing, marketing, sales and trading of logs and lumber products.

Greenheart Resources and its subsidiaries hold forest concessions for the exploitation of timber on parcel of land in West Suriname. Their principal business activities include log harvesting, lumber processing and sales of logs and lumber products.

To facilitate the development of Greenheart Resources, on 14 May 2008, Greenheart Resources and Silver Mount entered into the Facility Agreement in relation to the provision of the Facility of HK\$50 million by Silver Mount to Greenheart Resources for a term of three years. On 22 November 2010, in order to further develop the Group's timber business operated under Greenheart Resources, Silver Mount, entered into the Supplemental Facility Agreement with Greenheart Resources pursuant to which both parties agreed to increase the Facility Limit to HK\$215 million and extend the drawdown period and repayment date of the Facility to 22 November 2013. Subsequently, on 4 November 2013, Silver Mount entered into the Second Supplemental Facility Agreement with Greenheart Resources pursuant to which the parties agreed to extend the drawdown period and the repayment date of the Facility to 22 November 2016.

Greenheart Resources has already drawn down a principal amount of HK\$214,983,000 as of the Latest Practicable Date in order to provide funding to complete a processing plant in West Suriname (the "WS Processing Plant"). Silver Mount and Newforest have further advanced additional loan facilities in the aggregate amount of US\$23,816,000 and US\$15,621,000 respectively to Greenheart Resources, which are proportional to their respective shareholdings in Greenheart Resources in 2014, 2015 and 2016. Save as the Facility, as at the Latest Practicable Date, Greenheart Resources has granted the total loan facility from Silver Mount and Newforest of US\$40,907,000 and the undrawn portion of such loan facilities is amounted US\$1,470,000 in aggregate.

The said US\$23,816,000 additional loan facilities granted by Silver Mount to Greenheart Resources constitute continuing connected transactions of the Company. Such financial assistance was provided (i) on normal commercial terms, (ii) in proportion to Silver Mount's equity interest in Greenheart Resources, and (iii) no guarantee was given by the Company or Silver Mount. Accordingly, such financial assistance is exempted from the reporting, announcement and Independent Shareholders' approval requirements under Chapter 14A of the Listing Rules pursuant to Rule 14A.89 of the Listing Rules.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

2. Reasons and benefits of entering into the Third Supplemental Facility Agreement

As at 31 December 2013, 31 December 2014, 31 December 2015 and 30 June 2016 (unaudited), respectively, Greenheart Resources had net liabilities of US\$31,654,000, US\$45,363,000, US\$66,931,000 and US\$72,315,000; net liabilities excluding shareholder loans of US\$2,621,000, US\$11,364,000, US\$18,024,000 and US\$23,408,000; and cash and bank balances (exclude pledged deposit) of US\$2,120,000, US\$686,000, US\$2,028,000 and US\$794,000. During the years ended 31 December 2013, 31 December 2014 and 31 December 2015 and six months ended 30 June 2016 (unaudited), Greenheart Resources had net losses of US\$12,443,000, US\$13,709,000, US\$21,568,000 and US\$5,384,000. As at the Latest Practicable Date, subject to the approval of the Third Supplemental Facility Agreement by the Independent Shareholders at the Special General Meeting, Greenheart Resources has no default in any loan repayment or interest payment.

According to the 2015 annual report and 2016 interim report of the Company, the Group has appointed a new local management team in Suriname during 2015 to turnaround the Suriname division, including West Suriname Operation, as well as to better realize the group's business strategy and plans in the supply of hardwood to Asia especially to the China market and to the global market.

The restructuring of the Suriname division was dragged for six months until August 2016 due to the unexpected prolonged government approval process for importing skilled labour for sawmill operations. In August 2016, Greenheart Resources obtained the approval from Suriname government and the production of West Suriname resumed. Save as the delay due to the labour importation, Greenheart Resources has been working towards its planned production volume. The local management is confident that the Suriname division should have a very noticeable progressive improvement and output.

Due to the comparatively long production cycle in tropical hardwood processing industry, the Management believed that the existing funding resources of Greenheart Resources should be prioritised and focused on the working capital to continue the turnaround plan and revive its business. Accordingly, Greenheart Resources will continue to need the Facility for a period of 3 more years and will not be in a position to repay the loan drawn earlier under the Facility by 22 November 2016.

We reviewed the forest data from RISI under the AXIO Data Group, a global forest data provider that supplies the world's most comprehensive and current data on supply and demand, pricing and costs to customers around the globe with over 150 expert industry professionals. According to RISI, the 13th Five-Year Plan approved in March 2016 has set green development as one of the five major development concepts to be pursued by China in the coming 5 years. Among other environment preservation policies, China will push forward its natural forest protection program and phase out all commercial logging of natural forests by 2017. With the logging ban, timber imports are expected to further expand to fill the gap created by declines in domestic harvesting in the PRC. The nation's timber and forest products imports are expected to increase by 60 million m³ by 2025, and will eventually account for 12%-13% of global timber harvest. Besides, according to the lumber futures traded in Chicago Mercantile Exchange, after touching a four-year low around US\$215 per 1,000 board feet in October 2015, the lumber price has been rallying to US\$315 per 1,000 board feet in December 2016 which we believe this is favorable to the profitability of Greenheart Resources.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

Since Greenheart Resources is a connected person of the Company, the entering into the Third Supplemental Facility Agreement requires, among other things, Independent Shareholders' approval in a Special General Meeting. In the event that such approval was not obtained, Greenheart Resources would fail to repay the loan drawn under the Facility by the original repayment date of 22 November 2016 and would be in breach of the Second Supplemental Facility Agreement. Greenheart Resources has just resumed its operation and has been improving its production level, revenue and profitability. It is not desirable for Greenheart Resources to sell its assets and repay the loan drawn under the facility by 22 November 2016, as it would hinder the resumed operation to generate income. Greenheart Resources has also been considering other financing options including bank financing. Greenheart Resources is of the view that such options are not as commercially desirable as the entry into the Third Supplemental Facility Agreement after taking into relevant factors such as collateral required by a bank, interest rates, financial covenants and disclosure of information required by a bank. Therefore, Greenheart Resources and Silver Mount entered into the Third Supplemental Facility Agreement, in order to maintain, on broadly the same terms, the present loan, which should allow sufficient time for Greenheart Resources' new management team to realize the turnaround strategy and generate income. The Management expects the adoption of the turnaround strategy shall increase the cash flow to the Group as a result of the increase of sales, and such positive cash flow should assist Greenheart Resources to refinance its loan through a bank or a third parties with comparable terms and condition.

According to the 2016 interim report of the Company, the Suriname division recorded a gross loss of approximately HK\$26,225,000 while the Group recorded a net loss of approximately HK\$10,906,000, and the Group had cash and cash equivalents of approximately HK\$118.8 million and bank borrowing of approximately HK\$195 million. The Group recorded unaudited consolidated net current liabilities of approximately HK\$86.8 million and a consolidated net asset value of HK\$771.3 million as at 30 June 2016. Chow Tai Fook Enterprises Limited, the holding company of Newforest, granted an unsecured loan of US\$10,000,000 (approximately HK\$78,000,000) to Greenheart Resources, separately in 2015, which had a repayment date of 12 August 2017. The above shows the continuing support and commitments from Newforest and its holding company to Greenheart Resources since it became the Company's major shareholder in May 2015.

3. Principal terms of the Facility Agreement (as amended by the Supplemental Facility Agreement, the Second Supplemental Facility Agreement and the Third Supplemental Facility Agreement)

Pursuant to the Third Supplemental Facility Agreement, Silver Mount and Greenheart Resources agreed to:

- (a) extend the repayment date of the outstanding amount drawn from the Facility for 3 years to 22 November 2019;

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

- (b) extend the Drawdown Period to the earlier of (i) the date falling 9 years after the date of the Supplemental Facility Agreement (i.e. 22 November 2019); and (ii) the date on which the Facility is terminated under the provisions of the Facility Agreement (as amended by the Supplemental Facility Agreement, the Second Supplemental Facility Agreement and the Third Supplemental Facility Agreement). LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

- (vii) Conditions: Greenheart Resources may draw under the Facility provided that:
- (a) it gives Silver Mount a notice of drawing in the manner set out in the Facility Agreement;
 - (b) no Event of Default or prospective Event of Default has occurred and all representations and warranties given by Greenheart Resources under the Facility Agreement are true and correct as at the date of each drawing; and
 - (c) the amount of such drawing shall, when aggregated with the principal amount of then outstanding, not exceed the Facility Limit.
- (viii) Events of Default: Events of Default include but are not limited to:
- (a) failure of Greenheart Resources to pay any sum payable under the Facility Agreement (as amended by the Supplemental Facility Agreement, the Second Supplemental Facility Agreement and the Third Supplemental Facility Agreement) when due;
 - (b) failure of Greenheart Resources to perform or comply with any of its obligations or undertakings under the Facility Agreement (as amended by the Supplemental Facility Agreement, the Second Supplemental Facility Agreement and the Third Supplemental Facility Agreement);
 - (c) any representation, warranty or statement made by Greenheart Resources under the Facility Agreement, the Supplemental Facility Agreement, the Second Supplemental Facility Agreement and the Third Supplemental Facility Agreement, being or proving to have been untrue, inaccurate, incorrect or misleading in any material respect;
 - (d) failure of Greenheart Resources to pay any other indebtedness when due by reason of a default or an event of default;

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

- (e) any litigation, arbitration or administrative proceedings before any court, arbitration or other relevant authority being current, pending or threatened against Greenheart Resources or any of its subsidiaries which Silver Mount considers will have or is likely to have a material adverse effect on Greenheart Resources and its subsidiaries; and
- (f) any material adverse change in the financial condition and/or business of Greenheart Resources.

As confirmed by the Directors, during the term of the Facility Agreement, the Supplemental Facility Agreement and the Second Supplemental Facility Agreement, no event of default has occurred.

Pursuant to the Third Supplemental Facility Agreement, the completion of the Third Supplemental Facility Agreement is conditional upon, among other things, the approval by the Independent Shareholders. Other terms and conditions precedent to drawdown are customary, in the view of the Directors, for facilities of this type.

As advised by the Management, the Group's surplus/unused cash resources are deposited with the banks, earning interest at floating rates based on daily bank deposit rate which is approximately 0.001% per annum. We noted that the Hong Kong dollar benchmark savings rate as quoted by HSBC for the period between 1 January 2016 up to the Latest Practicable Date (the "Relevant Period") of approximately 0.001% per annum for the entire Relevant Period. On the contrary, the Group will be earning an interest income at prime rate quoted by HSBC as at the Latest Practicable Date by the provision of Facility to Greenheart Resources. The prime rate for Hong Kong dollars per annum from time to time as quoted by HSBC for the Relevant Period is approximately 5% per annum, which is significantly higher than the daily bank deposit rate currently earned by the Group. In view of the above, the interest income earned from the provision of Facility is substantially more than that of placing deposit in banks.

4. Comparison of terms with independent third parties

Members of the Group have entered into loan facility agreements during the past three years with interest rate ranging from 1.80% per annum up to Prime interest rate (approximately 5% per annum as at the Latest Practicable Date) in Hong Kong. During the year ended 31 December 2014, the Group's bank loan facilities were renegotiated with the interest rate reduced to base rate, as determined by the bank, plus 1.65% per annum and the final maturity date was extended to 28 February 2017 (approximately 2.27% per annum as at the Latest Practicable Date). We noted that the interest rate of the Facility (the prime rate for Hong Kong dollars per annum from time to time as quoted by HSBC) in which was approximately 5% per annum as at the Latest Practicable Date was comparable to the interest rate of other financing facilities entered into the Group. We have also noted that the terms as amended and supplement by the Third Supplemental Facility Agreement, were comparable to the terms of the facility entered into the Group with independent third parties.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

The repayment date of the outstanding amount drawn from the Facility has been extended for 3 years to 22 November 2019. We have reviewed the terms of other loan facility agreements entered into by the Group. We noted that the terms of the other loan facilities entered into by 2-3 years. According to the Management, the Directors, taking into account the cash resources of the Group, would normally enter into financing facilities with a term ranging from 2 to 5 years, and will consider refinancing taking into account the then financial situation of the Group upon the end of the 2 to 5 years term. As such, we noted that the extension of the term stipulated under the Third Supplemental Facility Agreement of 3 years is in line with the terms of the Group's other financing facilities.

In addition, the Directors consider that, the appointment of the new local management team in Suriname during 2015 to turnaround the Suriname division, including West Suriname Operation, is vital for the Group to secure and provide stable financing sources for the management team to execute their turnaround strategy, and accordingly, we concur with the view of Directors that the extension of terms of the Facility under the Third Supplemental Facility Agreement of 3 years is in the interest of the Company and the Shareholders as a whole.

Having considered (i) the interest rate of the Facility was higher than the ordinary deposit interest rate of the Group enjoyed by the Group; (ii) the Facility's borrowing rate was comparable to other borrowing rates of the Group's debt financing; (iii) the extension term of 3 years for the repayment date of the outstanding amount drawn from the Facility is in line with the terms of other debt financing of Group, and (iv) since the Company's existing forestry business and timber business in Suriname, are held and operated under Greenheart Resources, the provision of Facility to Greenheart Resources ensures it to maintain the status quo of such loan for the sustainable development, which is aligned with the Group's corporate strategy to further its growth in Suriname, we concur with the view of the Directors that the entering into the Third Supplemental Facility Agreement and the transactions contemplated thereunder are on normal commercial terms and determined after arm's length negotiation and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

5. The Proposed Annual Caps

The Transactions which are continuing connected transactions, are subject to the Listing Rules' requirements and conditions as more particularly discussed under the section headed "Reporting requirements and conditions of the Transactions" below. In particular, the Transactions are subject to the proposed related caps. According to the Third Supplemental Facility Agreement, the Facility Limit amounted to HK\$250 million, which means in any point of time, Greenheart Resources aggregate principal drawdown (including the outstanding interest accrued thereon from time to time) shall not exceed HK\$250 million (the "Proposed Annual Caps") for each of the financial years ending 31 December 2016, 2017, 2018 and 2019.

Up to the Latest Practicable Date, approximately HK\$215 million was drawn down and outstanding by Greenheart Resources pursuant to the Facility. The Proposed Annual Caps were determined based on the Facility Limit, the current principal loan amount advanced under the Facility and the interest rate of the Facility.

In assessing the reasonableness of the Proposed Annual Caps, we have discussed with the Management the basis and assumption underlying the projections of the Proposed Annual Caps. In estimating the Proposed Annual Caps, the Directors have taken into account, among other things, the estimated demand for cash flow and future capital expenditure of Greenheart Resources and the projected costs of operation of Greenheart Resources for the coming three years.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

In 2015 the Group had appointed new local management team in Suriname to turnaround the Suriname division, including West Suriname Operation. The Directors believe that the restructuring ensures better management from the Group and better execution of the Group's business strategy and plans in the supply of hardwood to Asia especially to the China market and to the global market.

The restructuring of the Suriname division was delayed due to the unexpected prolonged government process for importing skilled labour for sawmill operations. After obtained the approval from Suriname government in August 2016, the production of West Suriname resumed and Greenheart Resources has been working towards its planned production volume. The Directors are confident that the Suriname division should have a very noticeable progressive improvement and output.

In view of the operating condition of Greenheart Resources, the Directors are of the view that the current outstanding balance of the loan to Greenheart Resources could be maintained for the time being, with expected partial repayments once its restructured processing plant and the workforce run smoothly thereby generating increased sales and sufficient cash flow to repay or refinance the Facility. The Proposed Annual Caps are determined by assuming that Greenheart Resources will sustain the borrowing level up to HK\$215 million and will repay all principal and interest in accordance with the terms of the Facility Agreement (as amended and supplemented by the Third Supplemental Facility Agreement).

Having considered the basis on which the Proposed Annual Caps is determined as described above, we are of the view that the Proposed Annual Caps are fair and reasonable.

6. Financial effects of the Transactions

(a) Gearing and working capital

We understand from the Management that the Group is expected to be exposed to a maximum financial exposure of HK\$250 million as a result of the Transactions. The size of such financial exposure represents approximately 32.43% of the unaudited consolidated net assets of the Group as at 30 June 2016 of approximately HK\$771 million. Given Greenheart Resources is held as to approximately 60.39% indirectly by the Company and the financial position of Greenheart are consolidated to the Company's account (i.e. the Facility will be eliminated in the consolidated financial statements of the Group), the extension of the loan repayment will have no direct material effect on the gearing and working capital of the Group as a whole.

(b) Earnings

The financial cost accrued at the prime rate for Hong Kong dollars per annum from time to time as quoted by HSBC as at the Latest Practicable Date in respect of the Facility as amended by the Supplemental Facility Agreement, the Second Supplemental Facility Agreement and the Third Supplemental Facility Agreement is expected to be approximately HK\$10.8 million per annum and approximately HK\$32.3 million for the entire extension period. The minority interest's portion of the financial cost incurred by Greenheart Resources, which will not be eliminated in the consolidated financial statement of the Group, amounted to approximately HK\$4.3 million per annum and approximately HK\$12.8 million for the entire extension period. Save as disclosed above, the Transactions will not have other impact on the earnings of the Group.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

(c) *Net asset value*

There will be no effect on the Group's net asset value in relation to the extension of the Facility.

7. Reporting requirements and conditions of the Transactions

Pursuant to Rules 14A.55 to 14A.59 of the Listing Rules, the Transactions are subject to the following annual review requirements:

- (a) each year the independent non-executive Directors must review the Transactions and confirm in the annual report and accounts that Transactions have been entered into:
 - (i) in the ordinary and usual course of business of the Group;
 - (ii) either on normal commercial terms or, if there are not sufficient comparable transactions to judge whether they are on normal commercial terms, on terms no less favourable to the Group than terms available to or from (as appropriate) independent third parties; and
 - (iii) in accordance with the relevant agreements governing them on terms that are fair and reasonable and in the interests of the Shareholders as a whole;
- (b) each year the auditors of the Company (currently, Moore Stephens CPA Limited) must provide a letter to the Board (with a copy provided to the Stock Exchange at least ten business days prior to the bulk printing of the Company's annual report) confirming that the Transactions:
 - (i) have received the approval of the Board;
 - (ii) are in accordance with the pricing policies of the Group (if applicable);
 - (iii) have been entered into in accordance with the relevant agreements governing the Transactions; and
 - (iv) have not exceeded the Proposed Annual Caps;
- (c) the Company shall allow, and shall procure the relevant counterparties to the Transactions to allow, the Company's auditors sufficient access to their records for the purpose of the reporting on the Transactions as set out in paragraph (b); and
- (d) the Company shall promptly notify the Stock Exchange and publish an announcement in accordance with the Listing Rules if it knows or has reason to believe that the independent non-executive Directors and/or auditors of the Company will not be able to confirm the matters set out in paragraphs (a) and/or (b) respectively.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

In light of the reporting requirements attached to the Transactions, in particular, (i) the restriction of the value of the Transactions by way of the Proposed Annual Caps; and (ii) the ongoing review by the independent non-executive Directors and auditors of the Company of the Transactions, we are of the view that appropriate measures will be in place to monitor the conduct of the Transactions and assist to safeguard the interests of the Independent Shareholders.

RECOMMENDATION

Having considered the above principal factors and reasons, we consider that:

- (i) the terms of the Third Supplemental Facility Agreement and the transactions contemplated thereunder are in the ordinary and usual course of business of the Group, on normal commercial terms, and in the interests of the Company and the Shareholders as a whole and are fair and reasonable so far as the Independent Shareholders are concerned; and
- (ii) the Proposed Annual Caps are fair and reasonable so far as the Company and the Independent Shareholders are concerned and in the interests of the Company and the Shareholders as a whole.

Accordingly, we would recommend the Independent Shareholders, and advise the Independent Board Committee to recommend the Independent Shareholders, to vote in favour of the ordinary resolution in respect of the Third Supplemental Facility Agreement and the transactions contemplated thereunder at the Special General Meeting.

Yours faithfully,
For and on behalf of
Euto Capital Partners Limited
