

Children Day on 5th December 2010

Octagon has been actively engaged on different type of social activities such as Children Day. Being one of the sponsors, Octagon has donated some food and drinks to both Primary Schools in Apoera and Washabo. Furthermore, on the activity day, we have arranged bus to and from the school as well as manpower for helping hands. We hope all children would happily enjoy on that day.

Children Day

at Apoera Primary School
on 5th December 2010
